Applicant: Michael Knoblauch et al.  
Serial No: 10/605,104  
Filing Date: 9/9/2003  
Title: Forisomes, Method for Their Isolation, and Their Use as a Molecular Working Machine

**Commissioner for Patents**  
**Alexandria, VA 22313-1450**

**AMENDMENT DIRECTING ENTRY OF SEQUENCE LISTING**

In response to the Notice of 11/20/2007, applicant has submitted concurrently CRF of sequence listing and a paper copy of the sequence listing.

**IN THE SPECIFICATION:**

Entry of the accompanying paper copy of the sequence listing into the specification behind paragraph [0112] of the description and before the claims is herewith requested.

**Time Extension**

The Notice dated 11/20/07 sets forth in the first paragraph in **bold print** that a **TWO MONTH** period is set to comply with the notice. However, in the 3rd paragraph of the Notice a ONE MONTH period is mentioned. This response is submitted based on the TWO MONTH period set forth in bold print. Should the reply actually have been due within one month period, the undersigned herewith request an extension of time for one month and authorizes that the required time extension fee be charged to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on January 18, 2008
